NOTICE CONCERNING SETTLEMENT CONFERENCE AND MEDIATION

COMES NOW, Plaintiff Cynthia Ellison in the afore-styled case, and files this Notice Concerning Settlement Conference and Mediation, whereas counsel for both parties have engaged in settlement negotiations. The results of said settlement conference are as follows:

Plaintiff Ellison believes that a settlement can be reached and has decreased her settlement offer against herself three times in order to resolve this case. Plaintiff believes that mediation would be best for both parties and volunteers to submit to mediation.

Defendant AUM does not have an offer to make to Plaintiff Ellison at this time and does not see any benefit in mediation.

Respectfully submitted this 11th day of August, 2006.
